Background/Summary of Request and Attachments:

The 2020 Census will be held during the first half of 2020. The Census is a critical activity, and a coordinated community-wide effort is more important than ever. A successful, accurate 2020 Census will provide multiple benefits to Travis County, such as providing essential data on the total population of the County, the age of the population in various areas of the region, the percentage of the population within certain age brackets, the region's workforce, level of employment, and unemployment. The Commissioners Court is committed to robust leadership in planning and executing a significant education and outreach campaign in preparation for the 2020 Census.

As part of the FY 2019 Adopted Budget, the Commissioners Court approved an earmark for a Census Manager Special Project Worker for General Administration. On April 30, 2019, the Commissioners Court approved the release of the earmark and approved the position with a start date of June 1, 2019, and an end date of September 30, 2020. In addition to the funding provided by the Commissioners Court, the City of Austin has agreed to help co-fund the position. John Lawler came on board in that role in July of 2019.

AGENDA REQUEST & BACKUP MATERIALS DEADLINE: Agenda requests and backup materials must be submitted in PDF format via email to agenda@traviscountytexas.gov by **12 noon on Tuesday** in order to be considered for inclusion in the following week's voting session.

In addition to the Census Program Manager position, the Commissioners Court has also helped to coordinate community-wide participation in the Census through the creation of the Austin-Travis County Census 2020 Complete Count Committee (“the CCC”), which is co-chaired by Mayor Adler and Judge Eckhardt. The CCC is composed of leaders from the civic, business, educational and government communities. The purpose of the Austin-Travis County Census 2020 Complete Count Committee is to maximize the success of the 2020 Census in the Central Texas region by educating and motivating residents to participate.

In order to raise funds and contributions to support the efforts of the CCC, the Austin-Travis County Census Collaborative (“the Collaborative”) was established in partnership between Mayor Steve Adler, Judge Sarah Eckhardt, and Joyce LeBombard, President of the Austin Area League of Women Voters. The Collaborative will coordinate and manage financial resources for the Census 2020 marketing and outreach efforts to ensure greater impact and efficiency for an accurate census count. Because successful participation in the Census is so important to our community, the combined outreach and education efforts of the Collaborative and the CCC constitute a public purpose.

As part of the Fiscal Year 2020 budget process, Intergovernmental Relations requested that the Commissioners Court dedicate funds for Census-related community outreach efforts. Ultimately, the Commissioners Court approved an earmark of \$200,000 for Fiscal Year 2020 in allocated reserves to ensure an accurate and complete Census count within Travis County.

The Court has identified and determined that working with the Collaborative and allocating County resources for Census 2020 outreach and marketing efforts will serve a public purpose and benefit the County and its residents in promoting economic prosperity for the County and its citizens. This agreement will further aid the County’s engagement in community and economic development projects to stimulate business and commercial activities in the communities.
